

# How to find your Exception Reporting Log-in Details

1. Go to your nhs.net e-mail account.
2. Search for emails from [no-reply@skillsforhealth.org.uk](mailto:no-reply@skillsforhealth.org.uk) (you can search by typing in just '*skillsforhealth*').
3. Find your username and initial password.
4. Go to <https://drs.realtimerostering.uk> and log-in to submit an exception report.

You can change your password once logged in. Exception Reporting System works on mobile phones as well.

Contact

[Leedsth-tr.exceptionreport@nhs.net](mailto:Leedsth-tr.exceptionreport@nhs.net)  
if you cannot find your log-in details.

For more guidance how to Exception Report see the video below.

<https://youtu.be/MF7oTPVdNnE>

You can report any type of exception reports on this system:

- **Breach of safe working hours**
- **Missed educational opportunities**
